A \$30 processing fee for each consumer loan you choose to skip will be deducted from your savings, checking or money market account. Interest will continue to accrue during the month you choose to skip and may result in higher total finance charges on your loan(s). Skipping payments will extend the term of your loan. Member accounts must be in good standing. Members who have been 30+ days delinquent on their XFCU loan payment within the last 12 months or have been 90+ days delinquent on any XFCU loan are not eligible for Skip-A-Payment. This deferral is subject to credit union approval.
