**Minimum Interest Charge:** The minimum interest charge will be charged on any dollar amount.

**Promotional Period for Introductory APR:** The Introductory APR for purchases and balance transfers will apply to transactions posted to your account within 90 days of account opening and remain in effect for nine months from the first qualifying transaction. If you pay your statement’s “New Balance” in full by the due date, we will not charge interest on any new transactions that post to the Purchase balance. If you have been paying your account in full without interest charges, but fail to pay your next “New Balance” in full, we will charge interest on the unpaid balance. For cash advances and balance transfers, we will start charging interest on the transaction date.
