BUSINESS SERVICES AND FEE DISCLOSURES

- ¹ Fee may apply to statement reconciliation, escheat account research, or other extensive research or detailed investigative requests initiated by the account holder.
- ² Some institutions or merchants may impose surcharges for ATM/POS and/or Shared Branch transactions not controlled by Xceed Financial Federal Credit Union ("Xceed").
- ³ Based on actual expenses (e.g., actual cost of Department of Motor Vehicles (DMV) title fees, actual third party cost, etc.).
- ⁴ Fee may be charged to the member for any subpoena, court administrative order processing, tax levy or garnishment, whether or not funds are actually turned over or submitted.
- ⁵ Also referred to as "Premium OD Fee" or "Insufficient/Uncollected Funds Fee (Paid)." One Overdraft Privilege Fee per calendar quarter will be rebated no later than the third business day following the posting of such fee when during that same quarter an Overdrawn Paid Item in the amount of \$5 or less is posted.
- ⁶ The funds automatically transfer from a qualifying account designated by the member (business savings or line of credit) to a business checking account in increments of \$100, or up to the available balance, whichever is less. The fee is automatically charged to the business checking account.
- ⁷ Fee varies depending on whether Visa International or the merchant outside the U.S. converts the charge into U.S. dollars. Refer to Business Membership and Account Agreement for further details.
- † The service charge is assessed the following month, if applicable.

Note: Terms and conditions are subject to change at any time. Additional services and fees may apply. Fees and Services Charges may be waived at Xceed's sole discretion.

Please refer to the Business Membership and Account Agreement and Overdraft Coverage brochure, as amended, for additional information applicable to specific accounts and services.
