## Welcome Members

Thank you for checking out this edition of our Quarterly Xchange newsletter! As always, it's jam-packed with news about our latest offerings and events – like market-leading rates on our deposit products. But this time, there's even more.

Pretty soon after you became an Xceed member, you probably noticed that it's a huge priority for us to provide our members with all of the latest tools to access their accounts, no matter where they are. And, as more and more members have switched to Xceed Online and the Xceed Mobile app to do their banking with us, we've received valuable feedback about what you need and want in your digital banking platforms.

So in this issue, I'm thrilled to announce that we're upgrading [xfcuh.org](http://xfcuh.org), Xceed Online and Xceed Mobile in August!

The upgrades will include even more user-friendly options, and enhanced security to help keep your information and accounts safe. We're also adding new ways for you to transfer money to friends and family, pay your bills, track your spending, and stay informed about your account activity.

Visit our dedicated digital upgrade page at [xfcuh.org/comingsoon](http://xfcuh.org/comingsoon) to learn more about what we have in store for you!

Best,

## Rochester Community

Here's three cheers and a shout-out to celebrate one of Xceed's longest-standing community partnerships. Our roots in the Rochester area go back all the way to 1931, thanks to our history with Rochester Postal Service Employees. We're big fans of this wonderful community, and showing our support by giving back to our friends in Rochester!

This year, we again partnered with the American Heart Association as a sponsor of the 2018 Rochester Heart Walk & Run. Even bad weather couldn't keep us away from this event as we helped raise awareness about the importance of heart health and worked to contribute nearly \$7,500 for this great organization!

Also look for Xceed to be collecting toys to support the Pirate Toy Fund, and sponsoring other great local causes and organizations, including Seneca Park Zoo Society's Jungle Jog, the Flower City Down Syndrome Network Buddy Walk, JDRF Rochester, National Kidney Foundation and the National Association of Letter Carriers Golf Tournament.

This year, we're also sponsoring two Red Wings games! Thank you to all of our Rochester members for your loyalty to your Credit Union. We look forward to seeing you at the next event!

Whether you're saving for the future or just looking for a safe spot to park some cash, our share certificates and money market accounts are two more great reasons to move more of your money to Xceed.

Life changes quickly, and your family's financial future is too important to leave to chance. That's why it's smart to meet with a financial consultant periodically and consider:

- When was the last time you reviewed your life insurance policies?
- How long ago were they purchased?
- Have there been any recent changes that might affect the amount of insurance coverage you might need?
